CALL FOR MEMORIAL ART

We will be hosting a virtual Memorial Showcase space where participants can share photos and images of art that they've created to honour the lives of those who have been lost throughout the toxic drug supply and overdose crisis.

We invite you to submit your photos or artwork any time **between now and May 17th @ 12:45pm** to have your work included in this year's Memorial Showcase. Please be mindful, considerate, and respectful with the content that you choose to share.

Note: There will be no chat function for the Memorial Showcase space, so that art can be posted free of comments, unless the artist chooses to provide their name(s) and specifically welcomes being contacted.
